"It is not enough to believe *about* Christ; we must believe *in* Him. The only faith that will benefit us is that which embraces Him as a personal saviour; which appropriates His merits to ourselves. Many hold faith as an opinion. But saving faith is a transaction, by which those who receive Christ join themselves in covenant relation with God. Genuine faith is life. A living faith means an increase of vigor, a confiding trust, by which the soul becomes a conquering power."  
*Gospel Workers*, pg. 261.
