"God's claim to reverence and worship, above the gods of the heathen, is based upon the fact that He is the Creator, and that to Him all other beings owe their existence. Thus it is presented in the Bible. Says the prophet Jeremiah: 'The Lord is the true God, He is the living God, and an everlasting King....The gods that have not made the heavens and the earth, even they shall perish from the earth, and from under these heavens. He hath made the earth by His power, He hath established the world by His wisdom, and hath stretched out the heavens by His discretion.' Jeremiah 10:10-12... The Sabbath, as a memorial of God's creative power, points to Him as the Maker of the heavens and the earth. Hence it is a constant witness to His existence and a reminder of His greatness, His wisdom, and His love. Had the Sabbath always been sacredly observed, there could never have been an atheist or an idolater." *Patriarchs and Prophets*, pg. 336.1
