Feel free to share them with your neighbors, friends, or family members. We also have them available in Spanish. Let us spread the message of the Good News of Salvation together.

"If we would have the spirit and power of the third angel's message, we must present the law and the gospel together, for they go hand in hand. As a power from beneath is stirring up the children of disobedience to make void the law of God, and to trample upon the truth that Christ is our righteousness, a power from above is moving upon the hearts of those who are loyal, to exalt the law, and to lift up Jesus as a complete Saviour. Unless divine power is brought into the experience of the people of God, false theories and ideas will take minds captive, Christ and His righteousness will be dropped out of the experience of many, and their faith will be without power or life."

*Gospel Worker, 161.3*
