OUR ONLY SAFEGUARD

"The people of God are directed to the Scriptures as their safeguard against the delusive power of spirits of darkness. Satan employs every possible device to prevent men from obtaining a knowledge of the Bible. At every revival of God's work, he arouses to more intense activity. A final struggle against Christ and His followers is soon to open before us. So closely will the counterfeit resemble the true that it will be impossible to distinguish between them except by the Scriptures."
